Password System

We ask that you provide us with a confidential password that you can give to people collecting your child when you are unable to do so yourself. Staff on the door will ask for the password if we have not already been notified about a change of person or if we do not recognise them. If the person does not know the password we will not let your child go until we have contacted you to confirm that it is ok.

If you do know that there will be a change of person collecting your child when you drop them off at the beginning of the session, please do continue to let us know then.

I give my permission for my child to be collected from Foundation One/School by a person who knows the password below.
