

## **Vision Statement**

At Hillocks Primary and Nursery School we strive to ensure that everyone feels safe, included and valued. Everyone believes in themselves, creating relationships that help them to develop personally, socially and emotionally. Everyone makes progress and feels that learning and school are fun.

### **Everybody Matters, Everyone Succeeds**

Relationships are based on honesty, trust and respect. We value each other as individuals. Everyone is optimistic and proud of their achievements and those of others, in all aspects of school life. There is a strong sense of belonging and identity in the school and wider community.

Children and adults take advantage of all possibilities for learning. Essential life skills are developed through first-hand experience to enable them to become lifelong learners. Learning meets everyone's needs for the future and enables them to become successful, happy and contributing members of society.
