

## **Vision Statement**

### **Everybody Matters, Everyone Succeeds**

At Hillocks Primary and Nursery School we strive to ensure that everyone:

- Feels safe, included and valued.
- Believes in themselves, creating relationships that help them to develop academically, personally, socially and emotionally.
- Achieves their true potential whilst feeling that learning and school are fun.

Relationships at Hillocks are based on values such as honesty, trust and respect. We value each other as individuals.

Everyone is optimistic and proud of their achievements and those of others, in all aspects of school life. There is a strong sense of belonging and identity in the school and wider community.

Essential life skills are developed through first-hand experience to enable young people to become lifelong learners. Learning meets everyone's needs for the future and enables them to become successful, happy and contributing members of society.
