

# Weekly Newsletter 28th September 2018

Dear Parent/Carer,

This week 32 children from Y3/4 attended a cross country event on Sutton Lawn. Dylan came 14th out of 89 boys, Lexi-Jai came 25th out of 145 girls.

Last week 11 children from Key Stage 2 attended a 'beat your personal best' event at Sutton Academy and Georgia received gold and silver medals for excellent improvement.

Congratulations to Joe in Year 5 for achieving his Platinum and Platinum+ times tables awards. This is a significant achievement Joe had to answer quick fire questions on multiplication and division facts up to 15x15.

Earlier in the week 6 girls from Year 5 and 6 attended an able mathematician day at Asquith Primary. They had a great day doing lots of problems and learning new skills. They were very excited about learning to make a cube from train tickets.

Thank you to all of that supported our Macmillan coffee morning. It was great to see so many people in the hall enjoying the coffee and cake. The raffle is being drawn later today.

Overall attendance this week is 95.68%. We are pleased with this but need to keep working to achieve our target of at least 96%.

Please remember we have an **INSET** day next Friday.

Hope you have a good weekend.

Louise Regan
