

# HILLOCKS PRIMARY AND NURSERY SCHOOL HOMEWORK POLICY

## Introduction

It is important that children see parents and school working together. We understand that many parents/carers have work and other commitments outside school and that many of our children are involved in extra-curricular activities.

This policy sets out our expectations for homework and we ask that parents/carers try their best to support children with this.

Key Stage 2	Reading	Spellings	Times tables	Mathletics

Please try to read with your child as often as possible and record in the home/school diary for F2 children.

Teachers will set homework on Mathletics for KS1 and KS2 children each week but there are also other activities and games for the children.

KS2 children will have weekly spelling and times tables tests so please ensure your child spends time each week learning these.

Please note Year 6 children may also bring home revision work in preparation for their tests in May.
