

# NEWSLETTER w/e 18th January 2019

Dear Parent/Carer,

We have had a busy week in school. Gareth Baker, our reading patron, was in on Monday working with Year 3 and 4. Miss Holloway delivered some staff training on science and teachers were very enthusiastic. We will look forward to some exciting science lessons. Miss Holloway's class visited Sutton Academy to do another science session and again were complimented - they were told that they were a credit to the school.

Year 5 and 6 took part in a Futsal tournament at Sutton Academy and are now through to the final.

The Chad came in to take photos of F2 for their article on reception classes.

We had a Full Governors meeting on Monday and before the meeting they spent time looking at children's writing across the curriculum. They were particularly focusing on longer pieces of writing.

We still have 2 parent governor vacancies and will be sending out information about how you can apply at the start of next week.

Hope you have a good weekend.

Louise Regan  
Headteacher
